The Honorable Albert C. Hall
Assistant Secretary of Defense (Intelligence)
Department of Defense
Washington, D. C. 20301

Dear Al:

I anticipate no problems in providing the CIA EVENT file to COINS as requested in your 21 January memorandum. I suggest that your office arrange a meeting between potentially interested Community users and [redacted] of CIA's Office of Weapons Intelligence [redacted] to define the data and maintenance schedules required to provide maximum COINS utility. Following that, we estimate that approximately six weeks may be required to perform the necessary computer programming to prepare the file for COINS access via the NSA system.

Sincerely,

/s/ Bill

W. E. Colby

Honorable William E. Colby

Dear Bill:

Last September, as a result of a recommendation from the COINS Files Working Group, I asked for your consideration of the CIA FORCES file for community use in COINS, and your support was greatly appreciated.

The working group has now informed me that there is high community interest in the CIA EVENT file. The CIA member of the group has reported that the technical and financial implications of making this file compatible with the NSA system appear to be minimal. Therefore, I recommend your favorable consideration of this file for COINS, so that we may continue in our efforts to achieve a user-oriented data base.

Sincerely,

al Hall

MEMORANDUM FOR: []

Attached is response for DCI to make to an AI
Hall request for adding a CIA file to COINS. Per
General Graham's instructions to me (see xerox
buck slip in attached file), Danny wants to see
the DCI response before it goes final.

Attached buck slip from O/DDI notes Danny's
request and asks me to get this to him and back
to O/DDI. They would like to get their letter to
Executive Secretariat by 1 Feb. 74.

The DDI reply looks OK to me. No major policy
is involved. Recommend approval. Can you move this
to and back from General Graham for me?

Pls advise.
